

AI Agent Nexus - Usage Analytics Dashboard Specification

Objective

The Usage Analytics page should demonstrate the business value, adoption, governance maturity and reuse of AI agents across the enterprise.

The page should be visually rich and leadership-focused.

Priority 1 - Top Agents by Usage

Business Question

Which agents are delivering the most value?

Chart Type

Horizontal Bar Chart

API

GET /api/dashboard/top-agents

Mock Data

```
[ { "agentName": "API Test Generator", "executions": 850 }, { "agentName": "Swagger Test Builder", "executions": 720 }, { "agentName": "Splunk Analyzer", "executions": 610 }, { "agentName": "Log Analyzer", "executions": 540 }, { "agentName": "Jira Story Writer", "executions": 430 } ]
```

Priority 2 - Adoption by Team

Business Question

Which teams are adopting AI agents most?

Chart Type

Horizontal Bar Chart

API

GET /api/dashboard/top-teams

Mock Data

```
[ { "team": "QA COE", "executions": 1600 }, { "team": "Platform Engineering", "executions": 1200 },  
{ "team": "Payments", "executions": 900 }, { "team": "Retail Lending", "executions": 700 }, { "team": "DevOps",  
"executions": 600 } ]
```

Priority 3 - Usage Trend

Business Question

Is AI adoption increasing?

Chart Type

Line Chart

API

GET /api/dashboard/usage-trend

Mock Data

```
[ { "month": "Jan", "executions": 500 }, { "month": "Feb", "executions": 700 }, { "month": "Mar", "executions":  
1100 }, { "month": "Apr", "executions": 1800 }, { "month": "May", "executions": 2500 }, { "month": "Jun",  
"executions": 5000 } ]
```

Priority 4 - Governance Distribution

Business Question

How healthy is our AI ecosystem?

Chart Type

Pie Chart

API

GET /api/governance/summary

Mock Data

```
[ { "rating": "GOLD", "count": 10 }, { "rating": "SILVER", "count": 8 }, { "rating": "BRONZE", "count": 4 },  
  { "rating": "AT_RISK", "count": 3 } ]
```

Priority 5 - Reuse vs New Creation

Business Question

Are teams reusing existing agents?

Chart Type

Pie Chart

API

GET /api/dashboard/reuse-summary

Mock Data

```
[ { "category": "Reused Agents", "count": 18 }, { "category": "New Agents", "count": 7 } ]
```

Priority 6 - Agent Status Distribution

Business Question

How many agents are active versus dormant?

Chart Type

Pie Chart

API

GET /api/dashboard/agent-status

Mock Data

```
[ { "status": "ACTIVE", "count": 18 }, { "status": "DORMANT", "count": 7 } ]
```

Priority 7 - Top Skills Used

Business Question

Which capabilities are used most?

Chart Type

Horizontal Bar Chart

API

GET /api/dashboard/top-skills

Mock Data

```
[ { "skill": "Swagger Parsing", "usage": 900 }, { "skill": "Test Generation", "usage": 850 }, { "skill": "Splunk Analysis", "usage": 650 }, { "skill": "Story Creation", "usage": 500 }, { "skill": "Accessibility Testing", "usage": 400 } ]
```

Priority 8 - Team AI Maturity Score

Business Question

Which teams are leading AI adoption?

Chart Type

Horizontal Bar Chart

API

GET /api/dashboard/team-maturity

Mock Data

```
[ { "team": "QA COE", "score": 95 }, { "team": "Platform Engineering", "score": 88 }, { "team": "Payments", "score": 82 }, { "team": "DevOps", "score": 75 } ]
```
